RTC to Sponsor Trip to D.C. FRS Youth Tour 2005

2004 FRS Youth Tour Attendees

The Foundation for Rural Service (FRS) 10th annual Youth Tour will be held Saturday, June 4 to Wednesday, June 8, 2005. Each year, in collaboration with National Telecommunications Cooperative Association (NTCA) member companies, FRS brings rural students from across the United States to Washington, D.C. for a four-day tour of some of the most historical sites in the nation.

While in Washington, students also learn about the telecommunications industry, as well as the regulatory and legislative processes. Educational sessions on these topics are greatly enhanced by both site visits to the U.S. Capitol and the U.S. Department of Agriculture, in addition to meetings with industry leaders and members of Congress.

The students also are given ample time to explore the Nation's Capital and its many attractions. While here, the group visits such sites as the Lincoln and Jefferson Memorials; The Korean, Vietnam and new World War II Memorials; Mount Vernon, home of George Washington; the Smithsonian Museums; and, much more.
